

The Masonic Foundation of Alberta was formed in principle as a result of resolutions passed at the 1989 and 1990 Grand Lodge of Alberta Communications. Previous to that date a Grand Master's committee was struck to begin the process of establishing a Masonic Charitable Foundation in Alberta. It was from the roots of that committee that, in 1991, was brought about the formal organization and structure of the Foundation. While the Foundation has a number of objectives (indicated in the Official Brochure of the Foundation), the two basic objectives are:

1. To encourage, stimulate and assist financially, various Lodges that have identified particular Charitable projects. It is the hope of the foundation that it can match financially the funds raised by the local Lodge for a specific registered charity.
2. To identify worthy charitable projects that can be funded directly by the Foundation. These projects, which are focused upon helping young people, can either be long term or short term.

The Masonic Foundation of Alberta provides funding for registered charities. Lodges may request support for their charitable initiatives by a written submission requesting consideration for support.

Charities who have received Masonic Foundation of Alberta support include:

St. John Ambulance – We Can Help program

Camp He Ho Ha

Wood's Home – Emergency Shelter

Youth Emergency Shelters – Northern and Southern Alberta

Lethbridge Regional Hospital

Easter Seals Camp Horizon

Alberta Heart & Stroke Foundation

The Back Door Society

Tools for Schools

All Lodge Secretaries are reminded that an Official Brochure is available in quantity that can be distributed to each member of a Lodge. These can be secured from the Secretary-Treasurer of the Foundation. Furthermore a regular Foundation newsletter is published three to four times annually to advise the Freemasons of Alberta about the Foundation. These newsletters are as well readily available from the Secretary-Treasurer. (See address below)
